RFP 2017-04

SPECIFICATIONS FOR JET A FUEL

The purpose of this request for proposals is to set up standards which will enable the Florida Keys Mosquito Control District to purchase Jet A Fuel in a satisfactory and economical manner with terms and conditions as follows:

The District will require approximately Sixty Thousand (60,000) Gallons of Jet A Fuel over a period of Two (2) years, to be delivered in quantities of Two Thousand Gallons to the following location: 503 107th Street, Gulf, Marathon, Florida 33050. Payment Terms must be Net 30. Current fuel contract runs through April 21st, 2017, therefore effective date will not be prior to that date.

Prist is not a required additive, due to our environment.

Please use March 21st, 2017 for pricing. Please list per gallon price, any applicable taxes and delivery fees.

A Local Vendor Preference of 10% may be granted to all vendors whose main office or headquarters is physically located in Monroe County, Florida.

The successful bidder will be required to submit proof of Liability Insurance written for limits not less than \$1,000,000, in a form suitable to the District's legal counsel.

Florida Statutes Section 287.133 (3) requires that prior to an award of a contract for goods or services, including building construction contracts in excess of Threshold Category II (\$35,000), a sworn statement shall be submitted.

Material Safety Data Sheet is also required.

Selection Criteria:

The vendor will be selected through a combination of: 1) Pricing 2) Delivery Time 3) Vendor Experience

Please forward one (1) original and 5 copies of Proposal to:

Florida Keys Mosquito Control District
